If you're already sick of the cold [winter](#) weather, it's time to turn your dreams about a [tropical getaway](#) into an actual vacation itinerary. The problem is, a lot of other people have that same idea, and the beaches can get crowded quick. Luckily, there are still some secret spots in the Caribbean where you can relax in your own little slice of paradise – and these are 10 of our favorites.

Visit TPG's [Caribbean destination hub](#) for more stories about traveling to the region on points and miles, where to stay and what to do while you're there.

## Banana Bay, St. Kitts

The untouched beach at Banana Bay is a bit hard to get to, and that's just the point. You'll follow one road that goes to [St. Kitts](#)' southeast coast, where white sand, beautiful views of neighboring islands, and wildlife awaits. In certain seasons, the off-the-beaten-path destination is known for its flying fish and turtle-hatching. Since the spot is so secluded, you will need a car or taxi to get there. Stay at the St. Kitts Marriott Resort & The Royal Beach Casino (30,000 Marriott points per night on off-peak dates) or [Park Hyatt St. Kitts](#) (30,000 Hyatt points per night) and they'll help you make the arrangements.

MAXIMIZE YOUR TRAVEL.
